“We’re voting for **Barack Obama.**”

We’re voting for Obama because he’s committed to ending special deals for big business and putting working families first. There’s too much at stake to risk voting for anyone else.

Barack Obama will fight to save American jobs.

Obama opposes trade deals like NAFTA that ship good paying jobs overseas. He has said, “I will make sure that we renegotiate [NAFTA]...I think we should use the hammer of a potential opt-out as leverage to ensure that we actually get labor and environmental standards that are enforced.”

Cleveland Democratic Debate, NBC, 2/26/08

Barack Obama has a plan to improve our health care.

Obama’s health care plan will provide guaranteed eligibility, affordable premiums and quality care. He believes every American should have a health care plan as good as members of Congress. Obama will fight to give individuals control of their own health care, not big insurance companies.

Obama for America Website; S. 1955, Vote 119, 5/11/06

Barack Obama will put workers first.

Obama supports the Employee Free Choice Act, which will restore workers’ freedom to form unions and bargain for better wages, benefits and working conditions without employer harassment. Obama said “The choice to organize should be left up to workers and workers alone. It should be their free choice.”
